

SKOKIE VALLEY AGUDATH JACOB SYNAGOGUE

Continuing Adult Education

The Complexities of the Book of Job

Job/Iyov - the main character in "Sefer Iyov," the Book of Job, which contains perhaps the classic discussion of "theodicy," why the righteous suffer and the wicked prosper, in the Bible. There is some doubt as to the authorship of this work. One opinion is that the author is none other than Moshe Rabbeinu himself, and that Iyov may or may not have been a real individual, but the allegory is written to deal with this theological problem.

TIME: Tuesdays, October 26-November 23 at 7:45 pm

WHERE: Mike Shearn Men's Club Lounge

GIVEN BY: Rabbi Samuel Biber

COST: \$6.00

Please register below and return to Eileen by Thursday, October 21, 2010

.....
